Subject: SWFWMD Permitting Question

Date: Tue, Nov 30, 2021 1:28 pm

Attachments:

In reference to our phone call, there are no SWFWMD Environmental Resource Permits (ERPs) that pertain to the entire subdivision in this area. Construction before 1984 is not subject to our requirements.

If you have any other questions, please let me know.

Thank you,

Alex Tolksdorf, E.I.
